DETAILED ACTION

1. Claims 1-20 have been presented for examination. Claims 1-4, 6, 9-16, and 18-20 have been amended and claims 5 and 17 have been canceled in an amendment filed 10/24/2005. Claims 6 and 18 have been amended in an examiners amendment in this Office action. Claims 1-4, 6-16, and 18-20 have been examined.

EXAMINER'S AMENDMENT

2. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Andrew V. Smith, Reg. No. 43,132 on December 7, 2005.

In the Claims:

Claim 6, delete "5" and replace with --1--.

Claim 18, delete "17" and replace with --13--.

Allowable Subject Matter

3. Claims 1-4, 6-16, and 18-20 are allowed.
4. The following is an examiner's statement of reasons for allowance:

Art Unit: 2132

Claims 1-4 and 6-8; 9-12; and 13-16 and 18-20 are drawn to a method for administering portal security for an object, a corporate portal apparatus, and one or more computer readable media encoded with a processor-readable computer program product, respectively. The closest prior art, Polizzi et al., U.S. Patent No. 6,643,661 B2, discloses a similar method, apparatus, and medium. However, this reference neither teaches nor suggests mapping the native security setting into a portal security setting associated with a portal that comprises a metadata object, according to a predetermined process that is executed according to information maintained in a portal database comprising one or more synchronization maps that maps external groups or domains, or both, to one or more intermediate sets of identifiers. This composite step explicitly incorporated into claims 1, 9, and 13 renders claims 1-4 and 6-8; 9-12; and 13-16 and 18-20, respectively, allowable.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
